

SOFOLIIOU LUXURY VILLA

is a COVID - compliant establishment

The management and staff of Sofouliou Luxury Villa have adopted a responsible attitude to address the health threat of COVID-19.

Equipment and medical kit

Upon your arrival at the establishment, a medical kit that includes the following items will be at your disposal in each room and area:

- Germicidal disinfectant/wipes for surface cleaning Tissues.
- Disposable face masks. Note that disposable face masks can only be used once.
- Gloves (disposable)

Social Distancing

Social distancing measures, together with frequent hand hygiene and respiratory etiquette, are the main measures to prevent transmission of COVID-19.

- Social distancing includes refraining from hugging, kissing, or shaking hands
- It involves maintaining a distance of at least 1 m (3 ft) and avoiding anyone who is coughing or sneezing.
- Hand hygiene means regularly and thoroughly cleaning hands with an alcohol-based hand rub or washing them with soap and water.
- Avoid touching eyes, nose, and mouth. Hand disinfection is indicated after exchanging objects (money, credit cards)
- Respiratory etiquette means covering mouth and nose with bent elbow or tissue when coughing or sneezing. The used tissue should be disposed of immediately in a bin with a lid.

Air-conditioning

The establishment is equipped with a sophisticated cooling system based on chilled ceilings providing natural cooling without any air circulation. Therefore, no possibility of infection through the cooling system is possible

Dispensers

In all rooms and restrooms are available units to dispense disinfectant gel, as well as disinfectant soap (Dettol or similar).

Cleaning and disinfection

The establishment, has enhanced hygiene services.

Special consideration is given to the application of cleaning and disinfection measures as a general preventive measure during the entire COVID-19 epidemic.

Special attention is also given to objects that are frequently touched such as handles, buttons, handrails, switches, doorknobs, etc.

All rooms and common areas are ventilated daily

Cleaning staff

Cleaning staff has been vaccinated and is trained on the use of personal protection equipment as listed below:

- Masks
- Gloves
- Disposable gowns
- Closed shoes

*Cleaning staff will enter the establishment only in the absence of all guests

Symptoms

If a guest develops symptoms of acute respiratory infection, please inform immediately the management of Sofouliou Villa and minimize contact of the ill person with all guests.

The management will take immediate measures in consultation with the local health authority.
